12/23/66

Dear Martin,

As per our phone conversation today, here are the two rough drafts, both of which I'll send to add to and both of which require editing. I also have appropriate documents that I'll not be able to include; ~~in~~ my letter to J. Edgar Hoover on the suppression of the ~~st~~rectographic analysis and the letters from the archive. I charge suppression and will prove more than I charge.

Please return these as soon as you Xerox them. Ask if you have any questions.

I also have the list of what was transferred to the Archive.

Merry Xmas
